

BRECKENHOLME TRADING COMPANY LTD
Incorporating Yorkshire Rapeseed Oil and Charlie & Ivy's

HEALTH AND SAFETY STATEMENT OF INTENT

We recognise our duties under current health and safety legislation and we will endeavour to maintain a safe and healthy working environment and meet the requirements of this legislation. Breckenholme Trading Company Ltd recognises its duty to regularly assess risks and hazards created in the course of our business. All Directors/Managers/Supervisors are informed of their responsibilities to ensure they take all reasonable precautions thus ensuring the health and safety, and welfare of anyone that could be affected by the operation of our business.

We acknowledge our:

- Duty to co-operate with any other employer/s when undertaking work at their sites.
- Duty to co-operate when we are under other employer/s control to ensure the health and safety of all those at work.
- Duty to co-operate and work with other employers and their workers, when their workers come onto our premises to work, ensuring the health and safety of everyone at work.

We will ensure our employees recognise their duties under health and safety legislation at work, we will also inform them of their duty to take reasonable care for themselves and for any others who could be affected by their activities. We will provide employees with the company health and safety rules explaining their duty and explaining in our company Employee Handbook how we achieve our safety objectives. This handbook is available to every worker employed by us. Supplementing this policy is an organisational chart which outlines all roles and responsibilities making them clear to all at work.

Breckenholme Trading Company Ltd so far as is reasonably practicable recognise our duty and will:

- Meet our legal obligations to maintain safe and healthy working conditions.
- Maintain and provide safe work equipment and plant machinery.
- Provide adequate identification and control of health and safety risks.
- Consult with our employees on matters affecting their health and safety.
- Control and make sure there is safe handling of all substances.
- Provide adequate information, instruction, training and supervision for all staff
- Gain access to competent health and safety advice.
- Ensure that all workers are given appropriate training and are competent to do their work.
- Prevent accidents and cases of work related ill health.

Actively manage and supervise health and safety at work.

Provide and make available the required resources in order to meet the requirements of this policy and support effective Health and Safety arrangements.

Commit to continuous improvement in our health and safety performance and management through regular (at least annual) review and revision of this policy.
